Linnea's Lights® and Kyle's Treehouse support Autism Awareness Month

Join Linnea's Lights® and Kyle's Treehouse this April during Autism Awareness Month to help empower everyone touched by autism to make effective choices.

Kyle's Treehouse was established so that families dealing with autism would have a place to go for help. A place where they could share their experiences with each other, and in doing so, find hope. Kyle's Treehouse contains a wealth of news, research, treatment options, and many other topics, but what is most foundational is the vibrant community of families and friends.

During the month of April, Linnea's Lights is joining the community of support and will generously donate 10% of all proceeds to Kyle's Treehouse. Every sale in April will help spread the word.

Perfume your home with the gentle aromas of Linnea's Lights® springtime scents, including new Magnolia, Blue Agave, Linden, Tuberose and Sweetgrass. Fresh & subtle, Linnea's Lights® candles combine natural soy wax, lead-free cotton candle-wicks, pure essences and fine fragrances to create clean burning, perfectly scented and highly aromatic candles. Each candle is triple scented so the subtle fragrance keeps throughout the entire burn.

All of Linnea's Lights® expertly handcrafted candles are meticulously hand-poured in small batches and tested for quality.

Each signature double wicked glass candle provides over 60 hours of illumination and is mindfully packaged in recycled materials, printed with soy inks and hand stamped. Personalize if you wish, and matchboxes are always included!

Each 9 oz. candle is \$29.
